This matter will be addressed at a later date.

Keith will be sending one of the 911 dispatchers to an APCO Advanced Public Safety Dispatchers training course.

Per a request for information, Keith noted he has made printouts of transmissions and calls made through the 911 dispatch center. There was concern that possibly only one dispatcher could handle the job at one time. Keith has the copies available for review in his office.

Keith notified the committee of the death of Melba Mickle. Mel was contracted by the county for many years as the county fire and EMS dispatcher. Keith noted of funeral arrangements and Mr. Graffrath suggested flowers be sent on behalf of the County Legislature.
